- The objective is to score points by making your opponent unable to return the ball before it bounces twice.

Objective of the Game

- Win by reaching the designated number of points first (commonly 11 or 15 points, depending on the scoring system).
- To do so, players must outmaneuver their opponent, hit the ball to areas of the court that are difficult to reach, and maintain strategic control of the game.

Scoring Systems

- Point-a-Rally (PAR): A point is scored on every rally regardless of who served.
- Traditional Scoring: Points are only scored by the server.
- Most modern courts and leagues use PAR scoring, with matches typically played to 11 points.

Essential Equipment and Court Overview

Racquet and Ball
